STOCK SHOW PRIZES COMPLETE; TO PRINT CATALOGUE FOR FAIR

COMMERCIAL CLUB APPROVES LIST OFFERED BY COMMITTEE AT MEETING FRIDAY

Premium lists for Cameron's second annual stock show and poultry exhibit have been approved by the Commercial club as submitted by the committee of which W. M. Cobb is chairman and a catalogue advertising the fair has been ordered printed. This catalogue will be printed by the Cameron Enterprise for early distribution.

The stock show and fair will be held in Cameron September 23 and 24. The show this year will feature agricultural exhibits.

Following is the minutes of the meeting as submitted by Secretary Skelton:

Roll call showed the following present: Officers: Robert McLane, president, W. W. Chambers, vice president, W. E. Skelton, secretary.

Directors: J. T. Parma, C. R. Phillips, Giles L. Avriett, J. D. Dobbins, H. M. Hefley, Jno. E. Mangum, F. S. Lesovsky, W. G. Gillis.

Committee chairman: T. F. Hardy, R. H. McIntosh, J. R. Hays, T. S. Henderson, W. M. Cobb.

Minutes of previous meeting were read and upon motion adopted.

W. M. Cobb, chairman of the Agricultural committee, read an outline of the premiums proposed by his committee for the approaching live stock show. Upon motion from W. W. Chambers, seconded by J. D. Dobbins, and amended by W. G. Gillis, the premium list as proposed by Mr. Cobb was approved and Mr. Cobb instructed to print a list of the premiums in the form of a catalogue and sell adds to the merchants to pay for the publication.

Upon motion from W. W. Chambers, seconded by J. R. Hays, the club decided to offer a prize of \$1.00 per capita for the largest family coming from the greatest distance to the stock show.

L. H. Kidd, superintendent of the local schools, appeared before the club in an interesting talk, announcing the addition of a commercial course to the curriculum of the high school this year. Mr. Kidd also announced that next week would be "go to school" week and asked the cooperation of the club in getting people interested in going to school. Mr. Kidd pledged the co-operation of the school to the Commercial club. Upon motion from W. M. Cobb, seconded by W. G. Gillis the club endorsed "go to school" week and pledged Mr. Kidd support.

Upon motion from W. W. Chambers, seconded by T. F. Hardy it was decided to invite the school children to help out with the stock show and to term one half day of the show as "school children" day.

J. T. Parma reported a bad place in the Waco crossing road about four miles from town. T. S. Henderson reported the road to Gause in a bad shape. He termed the road an "orphan" and suggested that it be "adopted" by the good roads committee. The fact was brought out that this committee was willing to do anything to remedy the road but could not get cooperation from the people of that section. President McLane asked the good roads committee to confer with Judge Gillis and Commissioner Phillips and see what could be done.

LINDSEY GROCERY COMPANY IS SOLD

MIDDLETON AND THOMAS WILL OPEN BUSINESS FRIDAY FOR PATRONAGE.

The Lindsey Grocery company in Cameron has been sold to J. E. Middleton and Walter D. Thomas. The business will be opened Friday, September 9, says an announcement being made today.

Joe Lindsey, former owner of the store has not announced his plans for

Dug For Water Many Years; Discovers a Spring on Farm

A fruitless search for water vein on his farm near Burlington for many years has been rewarded by the accidental discovery of a spring in an unfrequented portion of the place of H. Stoeber.

Last week, a son, Fritz Stoeber, was returning to the home from across the plantation and while crossing a small valley flanked by high ground which serves as a drainage course, he discovered on the side of the hill a tiny rivulet of water coursing down. Further investigation showed a strong seepage.

The discovery was reported to H. Stoeber who with his sons went to the spot and began to dig. At a depth of 12 feet with a hole 3 1-2 by 3 1-2 feet the well showed six feet of water. The analysis showed the water to be pure and entirely suitable for all domestic purposes.

For many years Mr. Stoeber, at different times has sought to find water by digging wells, but without success. He is elated over the discovery which adds thousands of dollars in value to his farm.

REPORT SHOWS RED CROSS NURSE HAS A BUSY YEAR HERE

ANNUAL REPORT FILED GIVES FINANCIAL STATEMENT AND WORK ACCOMPLISHED.

The report of Miss Stella Carter, county nurse for the American Red Cross, which has just been filed with Dr. A. S. Epperson, chairman of the county organization, shows an unusual amount of activity during the past year with great results accomplished. The report recites that 1105 visits were made during the year with more than 317 hours spent in the schools and near 5000 children examined.

Following reports have been filed: Financial Report of the Milam County Chapter A. R. C. From Aug. 1, 1920, to Aug. 1, 1921. Cash on hand Aug. 1, 1920—\$3,396.20

Cost of car	\$ 994.55
Upkeep of car	351.04
Nurses salary	1,500.00
Nurses supplies	163.72
Office equipment	51.45
Child welfare conference	20.25

Total \$3,081.91

Receipts.	
Nurses fees	\$ 64.00
Roll Call	495.48
Old war fund	1,143.87

Balance Aug. 1, 1921—\$2,071.64

Grand total \$5,099.55

Annual report of the Red Cross Public Health Nurse of Milam county. Nursing visits 239. Visits to schools 163. Visits to school children 379. Friendly visits 220. Other visits 104. Total 1105. Class talks 137. Night calls 10. Hours in school 317 1-2. School children examined 4860. School children deficient 2842. School children corrected 283. School children inspected 332. School children scabies 265. School children conjunctivitis 639. School children pediculosis 10. School children under weight, 10 per cent or more 178. Fees collected \$64.00.

the future. Both Mr. Thomas and Mr. Middleton are well known in Cameron. Mr. Thomas is connected with the George a Thomas & Sons drug store. He is also known for his fraternal activities now being Chancellor Commander of the Knights of Pythias in Cameron.

Both young men are experienced in business and will make a success of the company.

H. V. Weise of San Antonio, with the Bankers Life Insurance company, is in Cameron this week in the interest of his company.

20 NEW LOCATIONS MADE AT MINERVA; EXTENDING FIELD

MANY DEALS REPORTED CLOSED FOR ACREAGE AND WELL CONTRACTS MADE.

By E. E. SULLIVAN

The more important developments in the Minerva field the past week were the numerous deals closed for acreage with several drilling contracts for the immediate drilling of wells that will open up entirely new territory in the new shallow pool. There were about twenty locations made for wells which will be drilled within the next few months. Operators are coming in the field daily and inspecting the new wells. There were two new concerns that made purchases for acreage, one of them being the Erie Investment Co., Ltd., of Toronto, Canada. The other, the Little River Production company of Temple, Texas. The former company is composed of Canadian capitalists which purchased acreage from Ben McClellan offsetting the producing wells of the Oklahoma Bell Oil company. The Little River Production company have made twelve locations on the Robert Issacs 100 acre tract 1100 feet north of the Robert Issacs twenty barrel well. The rig was moved on and the drillers are rigging up preparing to spud in the first well. W. B. Ferguson et al closed for a 200 acre tract on the Neihous farm and will spud in the first well within the next month.

Moore C. Hess has become associated with J. Z. Hodge et al for the drilling of the north half of the Robert Issacs tract east of the Texas Plains Syndicate number one Neihous producing well. Arig was moved in from Lorena, Texas. 10 locations were made on this tract to be drilled out within the next 2 years.

Fogel & Marsh No. 1, Day, on the east side of Sandy creek have moved the big Star rig from Maysfield, and are rigging up preparing to drill No. 1 well. This is in new territory and the operators will watch the progress made by the drillers on this well.

Johnson, Sullivan and Taylor No. 1, Manly Freeman, are moving rig on and will spud in the first well of five to be drilled on this 53 acre tract Friday.

A Waco refinery representative was in the field the last week and inspected all of the drilling rigs and the three producing wells for the purpose of closing a contract for the Minerva crude for the new refinery in Waco. Sherrin, Elwell and McCamey No. 1, Henry, offsetting the Neihous well on the northeast is drilling at 100 feet in shale. 16 locations are made on this tract of 80 acres. Fogel and Marsh No. 1 are drilling at something over 600 feet.

J. Z. Hodge et al No. 1, Cooper, are having trouble with cave. Drillers are cleaning out hole preparing to run 6 1-4 inch casing on top of the green sand.

Pete Johnson and James Rumberger number 1, Manly, are drilling at something over 600 feet. 6 1-4 inch casing was set on top of the green sand at 565 feet.

Bell & Haines No. 1, Batte, is showing some gas, and drilling around 700 feet. This well is expected to be brought in this week and will open up considerable territory.

San Gabriel Oil and Gas company No. 1, Brown, drilling for string of tools lost in hole by a cave at something over 520 feet.

There were no new completions this week, nearly all of the drilling wells having trouble or being held up for break downs on machinery. There will be at least two new producers brought in soon which will increase the potential production of the new field. It is reported that several of the Kentucky shallow field operators are headed for Cameron to inspect the field and to look over the possibilities. The contract for the purchase of Minerva crude is still hanging fire as three tentative offers have been made by refinery representatives.

Minerva is taking on the appearance of a real oil town and is experiencing a building boom. The new store of the Fletcher Mercantile Co. is completed and will be moved into this week.

First Well Spudded In Near Milano is Basis for Celebration

At noon Wednesday the well spudded in on the Burnett tract near Milano was down 75 feet. This is the first drilling activity in the Milano sector of the Milam country structure. The spudding in of the well was celebrated by a barbecue and grand entertainment by the citizens of Milano.

In a special message to the Cameron Herald from Milano Chas. Howes tells of the spudding in of the initial well.

W. T. WATT DEAD AT WACO HOME

ONE OF WACO'S BEST KNOWN CITIZENS, FOUNDER OF PRO- IDENT BUNKER, IS DEAD.

W. T. Watt, aged 76, owner of the Watt farm near Ben Arnold, a widely known Texas banker and planter, died Wednesday morning at 10:45 at his beautiful country home, Overlook Place, two miles west of Waco, on the McGregor road. Mr. Watt had been in poor health for the last few years, and he had been practically confined to his home for the last three months gradually growing weaker, though at times manifesting an improvement of the kind that led to the belief that his life might be prolonged for several years.

The funeral services will be conducted Thursday morning at 10 o'clock at Overlook Place, with Rev. C. T. Caldwell, pastor of the First Presbyterian church, officiating. The body will then be shipped by Undertaker F. M. Compton to Hearne, where the funeral will take place Thursday afternoon.

The following active pallbearers have been named: Dr. H. F. Connally, J. C. Patton, J. K. Rose, E. A. Sturgis, T. C. Westbrook, George Gurely, V. V. Damon, and J. W. Mann.

Born in Stony Point, N. C., June 6, 1845, Mr. Watt served with the Confederate forces all during the civil war. He was captured by the federal troops and imprisoned, just a few days before Lee surrendered to Grant, at Appomattox.

To Mr. Watt belonged a distinction that few Confederate veterans here enjoy, that of having served in the Confederate States navy. He enlisted as a member of Hicker's naval battalion, and when that organization disbanded, he joined company D, Millett's North Carolina battalion, and he served throughout the entire four years of the civil war.

Left in poor circumstances at the end of the war, he did what many another veteran who wore the gray did, he came to Texas to begin his real start in life. Mr. Watt first located at Port Sullivan, where he was married to Miss Augusta Ferguson who passed away many years ago. He later moved to Hearne, where he resided for a number of years, and in 1890 he came to Waco, organizing in that year the Provident National bank, of which he was president until he retired from active banking life, seven or eight years ago. Under the direction of Mr. Watt, the Provident National bank, from the very beginning, was noted as one of the strongest financial institutions in Texas.

Mr. Watt, in addition to his banking interests, also acquired large land holdings in McLennan and Milam counties. He has a large plantation at Watt, in Milam county, close to Cameron and his farming interests in McLennan county, as is well known were very extensive. He was the owner of most desirable business property here, practically all of which is improved.—Waco Times-Herald.

CARD OF THANKS.

To our many friends and neighbors we extend our most sincere thanks and appreciation for the many donations and kindness extended us on account of our misfortune.

Very respectfully,
MR. AND MRS. J. A. MILLER.

What is 205?

W. D. WILSON DIES FOLLOWING ILLNESS IN BIG SPRINGS

SON OF EARLY MILAM COUNTY SETTLER AND NATIVE OF COUNTY BURIED SEPT. 3

W. D. Wilson, native of Milam county, son of G. J. Wilson, an early settler, and nephew of the late W. S. G. Wilson, illustrious Texas pioneer, died in Big Springs Friday, September 2, following an operation in the Mercy hospital in that city.

News of the death of W. D. Wilson was received in Cameron Friday from Mrs. J. B. Rogers, sister of Mr. Wilson who with Mrs. W. F. Rogers of Stanton, another sister, were called to his bedside when his condition became alarming. Mr. Wilson and sisters had not met in twenty years until they gathered at the bedside during the last hours of Mr. Wilson's lifetime.

The funeral was held in Big Springs Saturday, September 3 with burial in the cemetery in that city.

W. D. Wilson was born August 18, 1872, the son of G. J. Wilson, an early settler in Milam county, who was the brother of W. S. G. Wilson widely known pioneer and resident of Milam county.

He was the last survivor of an illustrious pioneer family who bore the Wilson name and his death obliterates the name. He was the last Wilson of two generations.

He grew to manhood in Milam county. In March 1901 he went to White Oaks, New Mexico, and has resided there and in other sections of New Mexico since leaving the county of his birth.

Mr. Wilson is survived by two sisters, Mrs. J. B. Rogers of Cameron, and Mrs. W. F. Rogers of Stanton.

QUITS POSITION WITH MOTOR FIRM

W. B. SKELTON AFTER 2 YEARS WITH DAUGHERTY MOTOR CO. LEAVES SERVICE.

W. B. Skelton, secretary of the Commercial club and for the past two years secretary and treasurer of the Daugherty Motor company, has resigned his position with the motor company.

The motor company is to continue under the management of Bob Daugherty who has been its head for some time. Associated with him will be J. M. Eplen. Mr. Skelton will perhaps engage in another line of business in the near future.

Mr. Daugherty has given the Chevrolet wide distribution in this county and is a thorough auto man who will succeed further with this prosperous and deserving company.

CARD OF THANKS.

We take this method of extending our sincere thanks to those who so kindly assisted us during the illness and death of our beloved wife and mother, Mrs. Mary T. Gohman. Especially do we desire to thank those who gave flowers and the members of the Woodmen Circle for their kind assistance and fraternal administrations.

HENRY GOHMAN AND CHILDREN

T. B. KEMP DEAD.

Our esteemed fellow citizen, T. B. Kemp, is dead. He died Wednesday night at the home of his son, W. D. Kemp, in Ardmore, Oklahoma. The body will arrive on the I.&G.N. train at 4:30 o'clock Friday morning, and the funeral will be held Friday afternoon at 5:30. Interment at the Odd Fellows cemetery.

The Reporter is unable to make further mention of the death of this good man today, the news of his death reaching us just before the hour for going to press.—Rockdale Reporter.

INFANT DIED IN CAMERON

The infant of Mr. and Mrs. G. C. Lamkin of Cameron, died Sunday, September 4. The funeral was held Sunday with burial in the Oak Hill cemetery in Cameron. Their many friends in Cameron extend sympathy to them in their sad loss.

MONTA THOMAS IS AGAIN CHOSEN AS CHIEF OF FIREMEN

ELWOOD CAMMER ELECTED PRESIDENT OF DEPARTMENT AT ANNUAL MEETING.

Monta Thomas, for a number of years chief of the Cameron Fire Department, was re-elected to succeed himself at the annual meeting held Monday night.

Joe Lindsey was re-elected assistant chief, a place he has filled for a number of terms.

Elwood Cammer was elected president of the fire department. A. W. Luckett was chosen vice president and Alex Triggs was elected secretary and treasurer.

Mr. Thomas as chief of the department has made a record of which Cameron is proud and has perfected one of the best volunteer fire departments in the state. Joe Lindsey took the team to Weatherford in the spring and won the first prize in competition with hose teams from over the state.

FIRE DESTROYS HOME OF JOHN LEWIS SUNDAY

The home of John Lewis on West Main street was destroyed by fire at 4 o'clock Sunday morning. Only a small amount of the household goods were saved from the home. Hundreds of citizens flocked to the fire thinking the compress was again being destroyed. The firemen did good work after stringing two lines of hose, preventing the spread of the fire. The home was insured for \$3000.

I took out my first policy as a youth of nineteen.—President Harding. S. E. Brogden, Life insurance at the Herald office.

BAND CONCERT TONIGHT ON COURT HOUSE LAWN

Director Medsker of the Cameron Concert band announces an exceptional musical program for the band concert tonight on the court house lawn. The concerts have been changed from Friday night to Thursday night on account of the meeting of the Commercial club. The public is invited to attend these concerts.

EPWORTH LEAGUE RALLY SUNDAY

NIGHT SERVICE TO BE GIVEN OVER TO INTERESTING PROGRAM.

The Epworth League of the Methodist church comes this week with an announcement of a rally service for Sunday evening at the regular hour for the league.

The Epworth League is composed of some of the finest young people of the town and are doing a splendid work in this organization. During the hot summer months, in spite of the intense heat at the hall in the evenings, the leaguers have been there and not a service has been missed. On account of so many being out of town during the summer and the general summer 'slump,' the leaguers are arranging for this special service for the purpose of reassembling all the forces for the fall work.

A very interesting and helpful program has been arranged and already a large number of young people have promised to be present. They are planning to decorate the hall in the colors of the league and declare that it will be a bright joyful occasion to all who come.

They have promised to furnish some special music for the evening service at 7:45 and the pastor will preach a rally day sermon which will be in line with the program of the evening.

The Epworth league is a strong factor in the life of this church and the young people extend an enthusiastic welcome to visitors to come to this service at 6:45 o'clock Sunday evening.

What is 205?

Fall Opening Sale

IT PAYS TO SHOP AT PIERCE'S

Values are offered in all departments. We recommend early Fall buying, due to the fact that cotton is advancing rapidly. Cotton goods are following the advance of cotton. The new tariff is soon to go on silk and wool, making these goods advance 15 to 25 per cent. We anticipated these conditions and bought accordingly. We own our goods at the low market prices, and you can share our good luck by buying of us.

New Fall Silks Are Here

We have just received a large assortment of Canton Crepes, Crepe Satin, Plain Satins and Charmeuse. All of these materials are in demand, and you will find them here in the right colors for fall wear.

BABY CONFERENCE HELD.

The Baby Conference held at the Health Center was attended by 28 babies and their mothers. The little tots were all tagged with Red Cross tags, on these tags were the name, age, height, weight and normal weight.

The local physicians did examinations and gave advice to the mothers as to defects found.

There were visitors throughout the day. They were interested in seeing our headquarters and learning what we are planning to do.

The Health Center will be open again Saturday, Sept. 10, and mothers are invited to bring their children. Free health literature for distribution.

THE SECRETARY

If he writes a letter it is too long, if he sends a postal, it is too short, if he edits a pamphlet, he's a spendthrift, if he goes to a committee meeting, he's butting in, if he stays away, he's a shirker, if the crowd is slim at luncheon, he should have called the members up, if he calls them up, he's a pest, if he duns a member for his dues, he's insulting, if he does not collect them, he's crazy, if a meeting is a howling success, the entertainment committee is praised, if it's a failure, the Secretary is to blame, if he asks for suggestions, he's incompetent, if he doesn't, he's bull-headed.—Exchange.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 35 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

Cameron Merchants Offering Better Buying Condition

FALL MERCHANDISING PROGRAM BUILT AROUND IDEA OF SERVICE AND NORMAL PRICES.

With the beginning of fall and the marketing of the current crop Cameron merchants realizing the demands have prepared for merchandising program based upon the idea of service combined with attractive pricing of high grade merchandise in full accord with the march back to normal.

Cameron as a retail trade center holds rank with the best Texas towns. The buying public finds here attractive buying opportunities such as are offered by no other town in Milam county.

Merchants in Cameron have received their fall shipments of merchandise and have priced them with the desire to give the greatest values ever offered on seasonable goods.

Merchants this fall are going to make buying more attractive in Cameron than any other season due to the demand at this particular time.

Arrange to do your trading in Cameron.

NOTICE.

This is to give notice to the public that cotton receipt No. 163419, issued in the name of W. W. Here's why CAMELS are the quality cigarette

BECAUSE we put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper—secure foil wrapping—revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember—you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine—and one entirely free from cigarette aftertaste,

It's Camels for you.

THE AMERICAN CREED.

I believe in the United States of America as a government of the people by the people for the people—whose just powers are derived from the consent of the governed—a democracy in a republic—a sovereign nation of many sovereign states—a perfect union one and inseparable—established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.
I therefore believe it is my duty to my country to love it—to support its constitution—to obey its laws—to respect its flag—and to defend it against all enemies.

THRALL

The Stauffer school opens October 3rd, with Miss Ozelle Price as teacher.

The Kennedy and Johnson schools begin October 17th with Miss Beatrice Harrison, teacher for the Kennedy and Miss Alice Knight teacher for the Johnson. Teaching being one of the greatest contributions to the welfare of the community, it is hoped that each parent will take such interest that

each teacher will feel at home in the community. A little bouquet to the teacher from a little girl or boy, or an invitation to eat fried chicken, may be a stepping stone to a better understanding.

Rev. Sharbutt, had Mr. Odell to fill his appointment at the Methodist church last Sunday.

The Baptist ladies met at a private home Tuesday and decided to have a trip "Around the World" in the near future, when several homes will represent as many different countries.

The Thrall gins have ginned 529 square bales of cotton up to Tuesday evening, and 194 round bales. About half of the cotton is being held for a better price.

Our local bank sent out its second monthly bulletin on the 1st to its

patrons, giving quite a variety of things for sale or exchange. With this bulletin was sent a folder giving a summary of Judge Lindsey's speech regarding present conditions, which if read and re-read, will be worth while.

Recently a negro minister of a prominent city, said: "I am advising my people to raise less cotton and more chickens, hogs, better gardens, can more fruit, and get back to the old way of saving. Make your soap at home, and every time you come to market, bring something to sell. Stop buying so many things on credit, let us also get down to hard work."

What is 205?

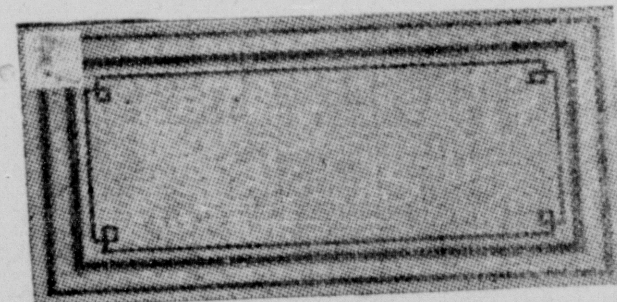

Just arrived fresh Aunt Jemima's Pan cake flour. Giles L. Avriett.

What is 205?

For Sale At a BARGAIN

All lumber in the grand stand and around ball park. Practically new.

Log Of Texas Roads By Cameron Business Man Drawing Tourists

With complete logs covering the leading roads of Texas the automobile log book published by J. T. Parma of Cameron, business man and auto accessory dealer, is attracting tourists to Cameron in addition to its timely service to travelers in touring the state.

The Parma log book contains 76 pages giving complete data concerning the leading highways of Texas with conveniently arranged terminals so as to give Cameron a most desirable volume of publicity. The book issued in June has been widely distributed and an increase in tourist travel has been the result to Cameron.

The log book has been carefully prepared by Mr. Parma who personally logged the routes in his own touring car. No detail is left off to give traveling service to the tourists. The book is paid for by advertising secured by Mr. Parma, but will not compensate him for the time he spent in compiling its logs. That Mr. Parma has accomplished much to favorably advertise Cameron would be mild praise of his efforts and as an example of individual effort to boost his city this service by Mr. Parma takes rank among the most progressive undertakings in the history of Cameron.

In connection with the log book Mr. Parma has undertaken to advocate the establishment in Cameron of a free parking space for tourists. The establishment of a park for tourists would result in tourist trade for Cameron as well as offer a fine service to travelers which would bring favorable advertising and put Cameron in limelight as doing big things. Only a comparatively few Texas towns have undertaken the establishment of tourist parks but where the plan has been tried it has resulted in great returns to the towns.

In this connection it occurs to The Herald that the Commercial club will find an opportunity for a great public service if it will co-operate with Mr. Parma in the establishment of this park. The task which Mr. Parma has

undertaken can scarcely be estimated in point of service to Cameron and should be rewarded with full co-operation.

Aside from the personal achievement in the publication of this book the whole matter is essentially of vital interest to Cameron and Milam county. It is a big thing and should be substantially supported.

The approximate magnitude of the log may be substantially gained by the index showing the routes covered in the book. The index is published as follows:

BIDS ASKED FOR S. A. & A. P. ROAD

EIGHT MILES SURFACED HIGHWAY TO BE CONSTRUCTED WITH STATE AID.

(Rockdale Reporter)

Elsewhere in this issue appears the legal notice to contractors, calling for bids on the jobs of constructing eight and two-tenths miles of Highway No. 44, otherwise known as the "Sap Highway," leading south out of Rockdale to the Lee county line. This road is also known as the Forest Grove, or Hicks, or Lexington road.

County Commissioner Phillips informs The Reporter that so far as the county was concerned this work could have been started long ago, but it being a portion of a state adopted highway and both state and national aid granted, it was necessary to go through a lot of red tape with state and federal engineers before the contract could be let. It has so happened that the delay has really been a matter of good fortune, as building costs have been materially reduced and the road will be constructed much cheaper than could have been done last year or the year before.

Mr. Phillips states that when completed this road will be one of the best in the county. The roadway will be widened to standard width and surfaced the entire distance with schist. All culverts and bridges will be of iron or concrete construction, the federal engineer demanding an entirely new bridge over the Yegua.

Mr. Phillips states that it now seems certain that the road can be so constructed for approximately \$40,000. The bond issue fund still has a matter of \$30,000 remaining to its credit, and Mr. Phillips now believes that when he has completed this stretch of road the fund will still contain as much as \$10,000, which amount he will use strictly for maintenance purposes.

Bids will be opened on Sept. 19, and it is hoped to have contracts let soon after that date. Mr. Phillips also states that he is hopeful that citizens living in the territory south of town will be able to secure employment on the road work under the contractor who gets the job. Considering the

present short crop this is greatly to be desired.

BAPTISTS FORM COUNTY UNIT

Representatives from ten of the 28 Baptist churches in Milam county met Sunday, August 28th, in Cameron and organized a County Baptist Sunday school and B. Y. P. U. association, with Rev. J. J. Burk of this city as general superintendent, and Pascal Pogue of San Gabriel, secretary.

J. O. Newton of Rockdale was elected superintendent of the district south of Little River and Mr. Martin of Cameron superintendent of the district north of Little River.

This move is for the betterment of

the Sunday schools and B. Y. P. U. Unions of the county and regular training courses will be held in each district, according to Rev. Burk who is very enthusiastic over the recent organization.

In speaking of the training Rev. Burk said: "The future of the church is in the hands and hearts of the children and young people of today. To make a greater church with its resultant good the young people must be impressed into the service and training now will bring greater returns to them, as well as the church than later."

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strength-giving tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

BIBLE SCHOOL FOR TEACHERS AT SAN GABRIEL PROVED GREAT SUCCESS.

The Bible study school conducted at the San Gabriel Baptist church by Rev. John A. Held of Bryan and Rev. J. J. Burk of this city was closed last week with the awarding of 14 diplomas to Sunday school teachers who took the course.

The work is not finished by any means, according to Rev. Burk who stated that the class of 31 is continuing the course of study until the eight books of special teaching subjects are finished, which will give the San Gabriel Sunday school the strongest staff of teachers of any church in Milam county. The teaching course will probably be used in the church here, stated Rev. Burk who is making an effort to interest the teaching staff here.

For Torpid Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. White, of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

Thedford's BLACK- DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medicine you take. Be sure that the name, "Thedford's Black-Draught," is on the package. At all druggists.

Accept Only
the Genuine.

On the one hand---

Mrs. Jones is "an old-fashioned shopper." When she hits the buying trail, it becomes a war path. She goes everywhere, sees everything, asks countless questions, and leaves a wake of piled-up counters and worn-out sales folks behind her.

Sometimes she wonders why a tired girl is a little snippy. Often she suspects that merchandise is not shown to her with particular enthusiasm or graciousness. She wonders why somehow shopping days are becoming an ordeal that leaves her limp and worn-out at supper time.

While on the other---

Mrs. Smith is a modern shopper. She makes up her mind what she is going to look at before she leaves the house. She knows just where she is going, how much she wants to pay, and where she'll find the right goods at the right prices.

She sets out long after Mrs. Jones has left her house, and gets back in time for a cup of tea before getting supper. Everybody has a pleasant word for her, and sometimes she feels that her own face wears a perpetual smile. To her shopping is a pleasure.

NOW HERE'S THE DIFFERENCE. Mrs. Jones, being old-fashioned, doesn't realize the value—to her—of advertising. Mrs. Smith does. She makes a practice of reading the advertisements in her newspaper. Sitting at ease in her home, she formulates her shopping program and follows it out. She notes the things that interest her particularly, and plans to cut out waste motion, unnecessary steps and lost time.

Are you Mrs. Jones—or Mrs. Smith? Do you make the advertisements work for you? If not, try it. Read the advertisements carefully and regularly? You'll find the steps, the bother, the trouble they'll save you will make shopping day a holiday.

NOTICE

Anyone desiring a good permanent position with the J. K. Watkins Co., will write to me for complete information.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment. Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

THE CENTAUR COMPANY, NEW YORK CITY.

AUTO PRICES REDUCED FOR THE THIRD TIME

WILLYS-KNIGHT, OLDSMOBILE,
OVERLAND FORD CARS CUT
AGAIN IN PRICES.

Automobile price materially were reduced for the third time this year when a number of large manufacturers announced radical reductions effective with the new month. In the majority of cases the cuts place the cars at prices below the pre-war level.

A reduction in contract price for new material and a increased production are attributed by the manufacturers as the reason for further cuts at this time.

The Willys-Overland Company announced a reduction in the price of Overland and Willys-Knight cars, bringing them to a price 42 and 32 per cent. respectively, under the prices last year. The cut places the price of the Overland at the lowest figure in the history of the car.

The new prices of Overlands include demountable rims and electric lighting and starter, and are: Chassis, \$495, reduction \$95, touring car \$595, reduction \$180, roadster \$595, reduction \$100 coupe \$850, reduction \$150, sedan \$895, reduction \$380.

The new prices on Willys-Knight are: Touring car \$1521, reduction \$375, roadster \$1525, reduction \$420, coupe \$1925, reduction \$335, sedan \$2395, reduction \$355. The prices are f. o. b. Toledo.

Franklin prices were reduced on an average of \$300, which brings the prices for the new cars down to: Touring, \$2585, sedan, \$3625, brougham, \$3475, two-passenger roadster, \$2535, four-passenger roadster, \$2585, demi-coupe, \$2895, demi-sedan, \$2995, touring limousine \$4090, chassis, \$2225.

Ford price reductions were announced Friday.

The new prices of the cars, f. o. b. Detroit, are:

Sedan, \$600, coupe, \$598, truck, \$445, touring car \$355, runabout, \$325, chassis, \$295.

POSTMASTER URGES SALE OF SAVING CERTIFICATES

"Don't spend it all! Save some of it!" has been a motto that has been followed pretty well here, according to Postmaster Lloyd Mitchell.

While some folks still have the idea that it is beneath their notice to save four dollars and a few cents in a \$5 War Savings Stamp, others have acted on the principle that 'what you save is yours, what you spend is the other fellow's and they have put Uncle Sam to work for them making their savings produce compound interest," said Postmaster Mitchell.

"The popularity locally of the new \$25, \$100 and \$1000 registered treasury savings certificates has surprised me, although I had every reason to look for a liberal buying of this security. Their safety, the fact that they produce interest every month, coupled with the fact that they are liquid and can not depreciate, accounts for this, I suppose.

August has been a good month in saving so far as postoffice sales of War Savings Stamps and Registered Treasury Savings certificates are concerned, though commercial business has been slack.

"The way people are turning from reckless spending to sure saving is

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

F. J. CHENEY & CO., Toledo, Ohio.
Sold by Druggists, etc.
Hall's Family Pills for constipation.

certainly pleasing to us at the post-office because every dollar wisely saved in this community helps the people and the merchants alike. Money makes the mare go, according to the old saying, but it is safely saved money that makes a community and its people prosperous. Growing bank accounts, increasing sums invested in Government savings securities and economy in spending make business better for all. We are indeed gratified to have played a part at the postoffice in increasing the asset standing of Cameron.

WAS SURPRISE OF MY LIFE, HE SAYS

Oklahoma Business Man Says Tanlac Restored Him a Year Ago And He Still Feels Fine.

"I endorse Tanlac from the bottom of my heart, for it set me right a year ago and I have enjoyed the best of health ever since," said Claude E. Andrean, 200 Garfield St., San Springs, Okla. Mr. Andrean is a member of the firm of Andrean and Day, and his standing and influence

are too well-known to require further comment.

"I hadn't been in good health," he went on, "for some two years and was so run-down generally I could hardly take care of business. What little I ate did me more harm than good and I felt tired out from morning till night. I was nervous and restless and my whole system seemed to be out of order. I didn't know what it was to feel good, and I was worried over where it would all lead to.

"I saw Tanlac so highly recommended that I made up my mind to try it, and nothing ever surprised me more than the way I picked right up. Three bottles simply put me to feeling like I had been wanting to feel, and this day I have been in as good health as I ever was in my life. Tanlac certainly proved its worth in my case and there is no question about its being a great medicine."

"Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store.

Cameron Merchants Offering Better Buying Condition

FALL MERCHANDISING PROGRAM BUILT AROUND IDEA OF SERVICE AND NORMAL PRICES.

With the beginning of fall and the marketing of the current crop Cameron merchants realizing the demands have prepared for merchandising program based upon the idea of service combined with attractive pricing of high grade merchandise in full accord with the march back to normal. Cameron as a retail trade center holds rank with the best Texas towns. The buying public finds here attrac-

tive buying opportunities such as are offered by no other town in Milam county.

Merchants in Cameron have received their fall shipments of merchandise and have priced them with the desire to give the greatest values ever offered on seasonable goods.

Merchants this fall are going to make buying more attractive in Cameron than any other season due to the demand at this particular time.

Arrange to do your trading in Cameron.

LOSS TO COUNTY IS \$18,000 WHEN CUT IN BILL IS MADE

REDUCTION OF PER CAPITA APPORTIONMENT OF MONEY HEAVY ON COUNTY

Reduction of the per capita apportionment of school money by the legislature to \$13 or \$15.00 less than last year will mean a loss of approximately \$18,000 to Milam county, according to Superintendent of Public Instruction Jim F. Chadwick.

The scholastic census of Milam county shows that there is approximately 12,000 school children in the county. In the city of Cameron there is approximately 1250 scholastics. The reduction in the per capita apportionment of the school money will cause a loss of \$1875 to the city of Cameron.

The reduction in the per capita is made necessary because of the heavy cuts in the educational appropriation bills by the legislature. County Superintendent Chadwick says that the state scholastic census shows an increase of 25,000 over the total for 1920. With this increase the reduction in the appropriation for the school creates something of a distress with respect to the progress of education in Texas as it will no doubt mean the curtailment of terms and general crippling of the schools.

THE KEY TO SUCCESS.

There is no class of employment that finds a more regular constant de-

mand than telegraphy operators. The capable operator can always command a good salary, and the opportunities for promotion are unlimited, as witness the number of operators who have risen to railroad heads.

The largest telegraph school in America, equipped with over a hundred instruments, a train wire of a main line railroad, all telegraph and freight blanks and books of record, tickets, and in fact everything just as complete as found in the best equipped railroad offices, the best practical teachers to be obtained, thoroughly experienced in commercial and railway telegraphy, station and freight work—Tyler Commercial College, of Tyler, Texas, is unable to supply the demands of the railroads, Western Union and Postal Telegraph companies for operators.

Read the following letter from the Superintendent of Telegraphy of one of the large railroad systems:

Tyler Commercial College, Gentlemen: If you will send us the high class students you have been sending, we can use all that you can send.

Could use a large number at the present time if you have them. In this connection will say what students you have sent us have been very satisfactory and have developed into some of the best telegraphers and agents that we have. Trust that you will be able to send us more of your students at once and keep them coming as fast as they are capable. Had the pleasure to visit your great school and made a personal investigation of the methods used by you in preparing student telegraphers, and I find they meet with all the requirements of my road, and I wish further to say you have the largest and most complete and thorough business college that I

have ever seen.

R. F. FRENZER, Supt.
Telegraph, Union Pac. Ry.

Our telegraph students are on all the leading Southwestern roads and in Western Union and Postal Telegraph offices. With our help you can be a bigger success. Write for free catalogue. We place graduates promptly free of charge. Tyler Commercial College, Tyler, Texas.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils
Opens Air Passages Right Up.
Instant relief—no waiting. Your clogged nostrils open right up, the air passages of your head clear and you can breathe freely. No more hawking, snuffing, blowing, headach, dryness. No struggling for breath at night, your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to
Bring Back Color and
Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

comes instantly.

It's just fine. Don't stay suffed up with a cold or nasty catarrh. adv.

NOTICE.

This is to give notice to the public that cotton receipt No. 163419, issued in the name of W. W. Terry on the 9th day of September, 1920, by the Cameron Compress Co., for one bale of cotton delivered by him to that company, has been lost, and that the undersigned is the legal owner and holder of said cotton, and the public is warned not to accept said receipt or to deal with same in the hands of any other person.

W. W. TERRY.

GAME LAWS

You have the right to hunt in the county of your residence without a license. You cannot hunt in adjoining

county as in previous years without a license—\$2.00.

Open Seasons.

Doves: Sept. 1 to Dec. 15; bag limit 15 birds per day.

Mexican White Wing Pigeons: Same as doves.

Quail: Dec. 1 to Jan. 31; bag limit 15 birds per day.

Duck: Oct. 16 to Jan. 31; bag limit 25 birds per day.

Plover and Snipe: Sept. 1 to Dec. 16; bag limit 15 birds per day.

Wild Turkey: Nov. 1 to Dec. 31 in this portion of state; bag limit three gobblers, no hens, per season.

Deer: Nov. 1 to Dec. 31; limit three buck per season. Rattling horns now permissible.

Geese and Brant: Same season as ducks; limit eight per day.

Shipping Game—By making a proper affidavit you can now ship your game without accompanying it on the

same train.

Bringing Game in Automobiles—It is lawful to bring game from one county to another without making a shipping affidavit, provided it is carried in a private conveyance (such as an automobile), but it must not be sent by a common carrier without first making the affidavit as prescribed by law.

Provide yourself with the proper shipping affidavit blanks and any conductor, station agent, etc., can make the same out for you.

Welch and Red Wing grape juice. Giles L. Avriett.

Habitual Constipation Cured in 14 to 21 Days

CAMERON SCHOOLS TO BEGIN TERM HERE SEPTEMBER TWELFTH

The 1921-22 term of the Cameron public schools will begin September 12th.

Beginning with the first week in September the tri-county teachers institute will be held in Georgetown and Superintendent L. H. Kidd with his corps of teachers will attend the institute thus concluding the first week of the 1921 term of school.

The new school year begins under most favorable auspices. Aside from the selection of one of the most efficient staff of instructors in the state the new Yoe high school building occupied during the last few weeks of the 1920 term is ready for the new term.

This building, a gift to the city of Cameron by Mrs. C. H. Yoe, is one of the finest high school buildings in the state of Texas.

One of the features of the high school course added this year is the commercial department where subjects as taught in the business college of the state will be given.

The scholastic enrollment in the city of Cameron is approximately 1250.

The Cameron schools are among the greatest assets to which the city owes its general prosperity and substantial growth. Annually scores of people move to the city from the rural districts that their children may have the advantages of our educational system, declared one of the best and most efficient in the state.

Following teachers have been elected and assigned for the coming term:

Primary.

Miss Ada Henderson, first primary.
Miss Edna Sprinkel, first primary.
Miss Minnie Wolf, second grade.
Miss Ruth Henderson, second grade.
Miss Jewell Joslin, third grade.
Miss Mary Lake Henderson, third grade.

Miss Sallie Kate McLane, kindergarten.

Intermediate.

Miss Rosine Ledbetter, fourth grade.
Miss Bess Hanna, fourth grade.
Miss Anna Lou Baskin, fifth grade.
Miss Lucile Dickard, fifth grade.

Junior High School.

Mr. R. H. Brewer, principal, arithmetic.

Miss Olive McGehee, reading.
Miss Susanna Jackson, geography.
Miss Pearl Williams, grammar and composition.

Miss Katherine Flinn, history.
High School.

Mr. R. B. Parsons, principal.
Miss Amelia Williams, history.
Miss Tennie Mae Bass, English.
Mr. J. C. Jones, science.
Miss Motie Cass, domestic economy.
Miss Mattie Loventhal, mathematics.
Miss Mildred McLaughlin, history.
Miss Gussie Mae Howell, English.
To be supplied, Spanish.
Mr. Hastings Meadows, Commercial department.

Miss Isla Reid, latin.

Special.

Miss Ruth Sprinkel, piano.
Mr. Robert Smith, Piano.
Miss Ann McLendon, expression.
Public school music, to be supplied.

NOTICE.

The trustees of Yarrrellton School District No. 55 of Milam county, Texas, will receive bids at 2 o'clock Saturday afternoon, Sept. 3rd, 1921, for the erection and completion of a three-room frame school building on the Yarrrellton school site at Yarrrellton. The school house bonds voted for this purpose have not been sold yet and the payment for the work and material can not be made until the said bonds are sold and money received but the trustees agree and will contract to pay 10 per cent interest on all deferred payments due upon the said contract for building said school house when the money from the sale of said bonds has been received. The plans and specifications for the said school house can be seen at the county superintendent's office. A certified check of 5 per cent of the bid must accompany each bid to be entitled to consideration. The trustees reserve the usual right to accept any or reject all bids.

GEO. LOCK,
S. H. DOBBS,
N. E. COLBURN,
Trustees.

Piles Cured in 5 to 14 Days

Druggists refund money if PAZO OINTMENT fails to cure itching, blind, bleeding or protruding Piles. Instantly relieves itching Piles, and you can get restful sleep after the first application. Price 60c.

THE COTTON CROP SHORTAGE.

25 Broad Street, Sept. 2, 1921.
To the Cameron Herald:

A more general appreciation of the gravity of the cotton outlook has brought another violent advance in prices this week. The most important news event was the government report of 49.3, indicating a crop of 7,037,000. This is not only the lowest August 25 condition on record, comparing with a ten-year average of 67.7 but the indicated crop is the smallest since 1892. In other words, the South has succeeded far beyond its original intention in bringing about a reduction in production this year. Unfavorable weather, insects and lack of proper fertilization have all assisted a reduced acreage toward this accomplishment. A sudden realization of what so drastic a reduction means in the way of available supplies has caused widespread anxiety in spinning circles. Quick to sense the situation, speculation has entered, on a large scale, practically taking the market away from trade interests. Fluctuations have been violent and can be expected to continue such for some time to come.

Thus far domestic and foreign mills have bought only moderately. Up to 15 1-2c for October purchases were liberal. But over 16c there has been less aggressive buying for trade account. In many quarters there exists a considerable degree of uncertainty as to whether a general and steady distribution of goods is possible at advancing prices. One of the reasons why the textile industry has shown greater improvement than many other lines, has been the low cost of raw material. An estimated increase in consumption of cotton this season is based, partly on moderate prices. Cotton is advancing more rapidly than even the most sanguine dared anticipate. For this reason a halt in the upward movement and a reaction can occur at any moment.

As to the general outlook, with such a deplorable condition of the growing crop, as reflected in the department report this week, it is difficult to escape the conclusion that cotton will continue to command good prices. It will be another year before there will be any chance for relief. The still the question of fall weather and

frost date to be determined. It is not impossible to have an October report indicating a crop under 7,000,000 bales. This would be, roughly, only 50 per cent of last year's production. When pre-war crops of 14,000,000 and 16,000,000 bales are considered, the cotton world is faced with a problem not easy of solution.

The legitimate function of speculation is to anticipate a price change which economic conditions justify. Frequently speculation establishes an extreme price which must ultimately be corrected by a reaction to the normal. The price for cotton at present from an economic point of view, seems to have attained, or later will attain (if speculative buying continues), the price which more than discounts the present trade and financial prospects. It is difficult to calculate the extent of the expansion of the present speculation in cotton or its limitations. For these reasons, we hesitate, for the time being, to forecast the fluctuations of the cotton market.

Yours very truly,

J. W. JAY & CO.

HOUSE MEMBERSHIP INCREASED

The recently passed redistricting measure increases the membership of the House of Representatives from 142 to 150, which is the constitutional limit.

Six good business men from as many sections of the state could meet in Austin and transact the business now delegated to the House in six days with a saving of more than \$300,000 to the taxpayers of Texas. But—it will never be done. Politics is too great an indoor sport to be downed so easily.

COLLEGE INDUSTRIAL ARTS

(State College for Women)
Denton, Texas.

The College of Industrial Arts offers the following advantages to Texas girls: (1) a pleasant, healthful, and accessible location in the state of Texas, (2) an unimpeachable moral and religious environment, (3) freedom from distracting internal and external influences which tend to lower the morale of the student body and the value of the work of the College, (4) a standard of living that discourages extravagance, and promotes a democratic spirit in keeping with sound economy and with the best American traditions, (5) courses of study that combine sound culture and accomplishment with preparation for practical, useful living; that chiefly keep in view the needs of the present and the future; and that are flexible enough to allow, within safe limits, conformity with the aptitudes and inclinations of the individual student, (6) a faculty of college and university trained specialists—men and women of maturity, scholarship and demonstrated teaching ability, (7) an administrative system that develops initiative, resourcefulness, and self-control on the part of its students and fosters the highest ideals of character and conduct.

It is a College of the first-class and gives literary, technical, and vocational training of the best quality, designed to develop mental discipline, social culture, spiritual vision, and efficiency. It confers the degrees of bachelor of arts, bachelor of science, bachelor of music, bachelor of business administration, and bachelor of literary interpretation; awards vocational diplomas and certificates, and issues teacher's state certificates.

The next session of the College opens Tuesday, September 20, 1921. For further information or for the latest catalogue, address.

Bremond Ranch Deep Oil Test Resumes Drilling Around 1990 Feet

LIGHT PLANT INSTALLED SO
WORK CAN CONTINUE AT
NIGHT IF NECESSARY

Renewed activities of the Bremond Ranch Syndicate's deep oil test on the Shelby Phillips ranch three miles southeast of Thordale are being watched with considerable interest, not only by home people but by outsiders who have been making inquiry as to the progress of this deep test well.

With the return of Frank Bartlett, who has went to Houston and purchased new six inch casing, also an electric light plant for the test work of placing the new casing was rushed to completion.

Ralph Babcock, in charge of opera-

Ousley Makes Formal Bid For Senate Seat of Culberson

Formal announcement of his candidacy for the United States Senate to succeed Senator Charles A. Culberson was made in Houston Saturday by Clarence Ousley of Fort Worth, former Assistant Secretary of Agriculture during President Wilson's administration and an active figure in state affairs for many years.

In making known his intention to enter the race, Ousley does not set out any definite platform, declaring that it is too early to precipitate a contest thus far in advance of the primary. He clearly indicated, however, that he considers the most important problems of the day to be economic and fiscal and that his contest will be made chiefly along the lines suggested by this belief.

"I am unwilling to believe, for example," he says in his announcement, "that statesmanship is incapable of devising a less burdensome and less middle-class system of taxation and a wiser system of credit than we now endure. Our commerce stagnates, our banks are embarrassed, our

tions has returned from Minneapolis where he attended the wedding of his sister, and the work will now be rushed to completion just as rapidly as conditions will permit.

The test now at the 1990 foot level has so far failed to show any of the much hoped for signs that usually bespeak the presence of the golden fluid according to those in charge at the well, but their faith in this field remains unshaken and the well will be continued as deep as necessary to either determine the presence or absence of oil in this section.

With the new casing set, lights for night work and other improvements around the location there should be nothing further to hamper the work.

laborers are unemployed, our families are deprived of comforts, though there is abundance in the land, and all in a large part because our farmers and stock raisers, those who produce our food and raiment, are unable to meet their obligations and to buy freely the commodities of manufacture and merchandise from the profits of their industry.

"This situation affects most painfully those who depend upon their daily labor for sustenance. Economic justice reacts upon all classes and sooner or later breeds political and social disaster. Prosperity cannot be enacted by law or decreed by authority, but in our financial and fiscal systems and in our trade relations there are conditions and practices which statesmanship must ameliorate if we are to have dependable and enduring relief."

It is his interest in these problems and the feeling that he can contribute something definitely constructive toward their solution that has led him into the race, Ousley declares. He does not intend to wage any campaign until next spring, he further states, at which time he will present his views in full and enter upon an energetic campaign. However he believes that candidates should announce their intentions early in the contest in order that the people may

have ample opportunity to investigate them, he says, in explanation of his coming out at this time.

The former Assistant Secretary of Agriculture also makes the suggestion that the present method of getting candidates into the field is not conducive to the best results. Instead of the candidates bringing themselves out, they should be brought out by the people, he believes. "Present political practice," he declares, "limits us to making choice of public servants among those who seek office. In all other relations of life we seek out the man whom we prefer, the man who can serve us best, but in the administration of political institutions that have power over our very lives and liberties we confine ourselves to men who apply for the job."

"It would be a happy departure from bad practice, I think, if between now and next spring the democratic voters of Texas should contrive to indicate in some rather definite manner the problems and the types of men even the individuals, they prefer to consider without waiting for candidates to present themselves and precipitate issues which they prefer for mere political expediency."

Ousley served as Assistant Secretary of Agriculture during the world war. His prior career embraces a number of activities including the editorship of the Fort Worth Record at one time. After leaving the government service he became connected with the extension department of A. & M. college. He also was a member of the commission sent to Europe several years ago by the state to study the co-operative marketing and other problems connected with agriculture. His home is in Fort Worth.

I took out my first policy as a youth of nineteen—President Harding. S. E. Brodgen, Life insurance at the Herald office.

A TONIC

Grove's Tasteless Chili Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless Chili Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 75c.

To Stop a Cough Quick

Take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues. A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup. The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 50c. "Just ask your druggist for HAYES' HEALING HONEY."

What to Eat

Let us solve that problem for you. We have all the season's delicacies at money saving prices. Our goods are pure and wholesome, this we guarantee.

Rockdale Thordale
Cameron Buckholts

WESTBROOK LEADS THORDALE CLUB

Guinn Westbrook leads the Thordale batters for the past season but played in only 13 games. Dudley English, captain of the team was the real leader having played in 42 games. Dudley drove out 62 hits in 172 times at bat for the high percentage of .360. George Johnson was second with an average of .356. Our star pitcher, Bartlett McMellan killed the old saying that pitchers can't hit by hitting .347 and coming out third in this department.

Kenneth Culver led the team in runs scored by scoring 40 runs in 37 games played. English drove out the most hits and George hit the most home runs with three to his credit.

The batting average of the Thordale players playing in seven or more games follows. The record shows number of games played, times at bat, runs, hits and percentage.

Players	G	AB	R	H	Pct.
Westbrook	13	53	7	20	.377
English	42	177	30	62	.360
Johnson	32	132	28	47	.356
McMellan	45	170	20	59	.347
Ellis	27	106	24	33	.311
Blackwell	23	91	25	27	.297
Allen	34	135	22	37	.274
Lewis	26	110	13	30	.273
Culver	37	151	40	41	.271
Hart	26	104	14	27	.260
Gillett	13	40	5	10	.250
McCanless	7	31	5	7	.226
Oliver	21	71	8	16	.225
Peebles	9	32	2	7	.219
Falk	8	28	3	3	.178
Lanning	15	53	5	9	.170
Gore	8	21	2	3	.143
Northcott	7	18	2	2	.111

INTERESTING TOPICS ON PAST BASEBALL SEASON.

The Thordale baseball team won 36 games and lost 15 during the past season for a percentage of .706. This is some record and Thordale has a better claim upon the Central Texas Championship than any other team.

Thordale defeated the strong Cameron team 5 to 4 in a 14 inning game. This was the longest game of the season.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILI TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILI TONIC is not a patent medicine. It is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs QUININE to purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS Chili Tonic has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS Chili Tonic when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Little's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Pimples, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

Small size 50 cents bottle. Large size \$1.00. JAMES F. BALLARD, Prop. St. Louis, Mo.

before losing.

Bartlett McMellan is in San Antonio resting up at the home of his parents until the opening of the University. Bartlett won more than half of Thordale's victories. He holds the team record for consecutive hits by banging out 8 consecutive hits in two games. He drove out five hits in five times up in the last Caldwell games and hit his first three times up in the Cameron game the following day.

Dudley English, captain of the Thordale team will enter the medical school of the University this fall in Galveston.

Elgin is the only team that won a series from Thordale and they caught us at a bad time when all of our pitchers were worked down.

NOTICE.

This is to give notice to the public that cotton receipt No. 163418, issued in the name of W. W. Terry on the 9th day of September, 1920, by the Cameron Compress Co., for one bale of cotton delivered by him to that company, has been lost, and that the undersigned is the legal owner and holder of said cotton, and the public is warned not to accept said receipt or to deal with same in the hands of any other person.

W. W. TERRY.

The Quinine That Does Not Affect The Head because of its tonic and invigorative effect, LAXATIVE BROMO QUININE (Tablets) can be taken by anyone without nervousness or danger to the head. F. W. GROVE'S signature on box. 50c.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best! alimentary tract, before putting more food into the stomach. To flush from the system the previous day's waste, sour fermentations and poisons before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a pronounced results in one or two weeks, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of Laxative Bromo Quinine in it. This is the harmless means of washing the waste material and toxins from the stomach.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.

By Mrs. W. A. GILLON

FORTY-TWO PARTY.

Last Thursday morning Mrs. R. L. Batte, Sr., complimented her cousin Miss Lucy Dallas Lightfoot of Summerville, Tenn., with a 42 party. The fairest members of the younger set responded to the invitation.

The home on this occasion was attractively decorated in a color scheme of blue and pink. Oleanders, queen's wreath and crepe Myrtle were the chosen flowers in pink, with tiny blue birds mingled among the flowers, and perched upon the chandeliers, emphasized the note of blue. Crystal baskets tied with blue and pink were used throughout the entire house. The dainty honor guest Miss Lightfoot, was gown in pink and blue, as also were the little daughters, Mary Belle and Lellie, of the home. After the guests had assembled, blue bird score cards were passed and the guests seated at tables covered in pink and blue and marked with blue birds.

There were nine tables, each with a pink talley pad with blue pencil. The foot table was given a whistle tied with pink and blue ribbon and the whistle blew at the end of a game. Crystal dishes with candy were placed on each table.

At the close of a number of interesting games Miss Louise Green had won high score and was given a tiny basket of queen's wreath.

Table favors were bouquets of crepe myrtle and were cut for by the guests. The honor guest was presented with a blue bird water set.

Miss Louise Adams, accompanied by Miss Neppie Newton of Austin, on the piano, and Miss Olive Henderson on the violin gave a beautiful solo. Miss Louise Denison gave one of her fun-provoking readings. Piano solo by Miss Neppie Newton. After the program, embroidered covers were placed on the tables and the following delicious menu served:

Creamed Turkey on Toast
Olives Midget Pickles
Plum Jelly Pear Salad
Crackers Hot Rolls

Saratoga Chips Iced Tea
Plate favors were tiny bouquets of queen's wreath and fern tied with pink and blue ribbon. Mrs. Batte was assisted in entertaining and serving by Mesdames R. L. Batte, Jr., Will Stafford, Bryon Calburn, and Mac Harvey. The guests bade Mrs. Batte and Miss Lightfoot good-bye with many expressions of delight and pleasure.

RECEPTION

Last Thursday afternoon from 4 to 6 o'clock Mrs. C. N. Green entertained at a reception in honor of Mrs. W. Jackson (nee Miss Giddard, former high school teacher of Cameron).

The home was beautifully decorated in pink guests wreath, pink roses and other flowers.
The dining table was covered with a handsome Battenberg lace piece over pink and the center piece was a large basket of queen's wreath resting on a reflector. The guests were met by Mrs. S. W. Cheeves and presented to the receiving line. In this stood Mesdames C. N. Green, W. W. Jackson of Little Rock, Ark., C. W. Reed and the Misses DeBose.

Mesdames W. H. Henley and Leland Green passed the guests on to a beautifully decorated punch bowl and delicious orange punch with red cherries, was served by Miss Reba Cheeves. In the dining room brick pink and white ice cream with Vanilla wafers was served by Misses Louise Mary Frances and Helen Green, and Katie McCall. A splendid musical program of vocal and piano solos was rendered during the afternoon by Mesdames W. W. Jackson, Ira F. Key, Alex Triggs and C. W. Reed.

STEWARDS MEETING

Last Tuesday night Mr. and Mrs. Jeff Kemp were charming and interesting hosts to the board of stewards and their wives of the Methodist church.

The meeting was at the beautiful old home of the late Aunt Lizzie Wilson. The guests were served a delicious punch as they arrived. After all had arrived Rev. Ira F. Key conducted a short devotional exercise, using an old Bible 144 years old, owned by Mr. Wilson's grandfather. Rev. Key read the 12th chapter of Hebrews. The stewards retired for a business session while Mrs. Kemp piloted the ladies over the old interesting home, displaying old formations and other things, among which were old magazines dating back as far as 1856.

Those enjoying this delightful hospitality were: Rev. and Mrs. Ira F. Key, Mr. and Mrs. C. N. Green, Mr. and Mrs. Leland Green, Dr. and Mrs. A. S. Epperson, Mr. and Mrs. Wm. Cobb, Mr. and Mrs. R. S. Boykin, Mr. and Mrs. Wharton, Mr. and Mrs. Walter Sharpe, Mr. and Mrs. W. O. Triggs, Mr. and Mrs. W. H. Triggs, Mr. and Mrs. P. O. Adams, Mr. and Mrs. R. H. McIntosh, Mr. and Mrs. Roy Baskin, Mrs. Delia Kennedy and Mr. T. F. Hardy. Mrs. Kemp served delicious ice cream and cake.

BRIDGE PARTY.

Last Wednesday morning from 9 to 11 Mrs. Frank Lesovsky was the delightful hostess in her palatial home on Hefley heights in honor of her guests, Misses Lucile Watipka and Helen Harris of Caldwell. The reception suite was most beautifully and artistically arranged with cut glass vases holding pink roses, queen's wreath and white lilies.

Three tables were arranged and lovely score cards, featuring colonial dames dressed in pink, were passed by the charming little daughter, Dorothy, of the home. Three games were played and at the close Mrs. J. L. Clinton claimed high and was presented with a card holder with pencil with the following verse attached: "Lost other callers take my place And you forget my absent face, I send this trifle, quaint and queer To just remind you, I am here."

And to Miss Gladys Watson for low score, a dainty decorated fly swatter.

Those enjoying the games were: Mesdames W. T. Hefley, Rush Thomas, J. L. Clinton, Giles Avriett, C. W. Reed, S. A. Cattie, L. S. Henley, Misses Lucile Watipka, Helen Harris, of Caldwell, Beth Jeter, Gladys Watson, Aetna Smith.

Mrs. Lesovsky was assisted by Mesdames Henry Hefley and W. A. Gillon in serving a delicious combination course consisting of chicken salad, fruit salad, sandwiches, sliced tomatoes, plum jelly and grape juice ice.

FORTY-TWO PARTY.

Mrs. Frank Lesovsky was again hostess on Wednesday afternoon from 3:30 to 6 o'clock at a porch 42 party. Naming again her house guests, Misses Lucile Watipka and Helen Harris as honorees. The spacious porch railing was decorated in potted ferns and interspersed with cut glass vases of pink roses, queen's wreath and white lilies. Twelve tables were arranged and sixteen merry games were played. Little Miss Dorothy passed the Colonial Dame score cards in pink and blue. Mesdames Tom Denison and Dan Tyson tied for high score and in the end Mrs. Tyson received a dainty call bell on which was inscribed:

"When ching a ling,
Says ting a ling
Everyone will listen."

A pretty decorated fly swatter was presented to Mrs. Trent Newton for low score.

Mrs. Lesovsky served the same delicious salad and ice cream as the morning. This time she was assisted in serving and entertaining by Little Misses Dorothy Lesovsky, Katherine Hefley and Mesdames J. L. Clinton, W. A. Gillon, W. T. Hefley and Henry Hefley. The entire personnel of the party expressed appreciation and pleasure for the beauty and enjoyment of the afternoon.

BRIDGE PARTY.

Thursday afternoon from 4 to 6 o'clock Miss Zelma Klatt was hostess at a bridge party at the home of her parents, Mr. and Mrs. J. F. Gurgola. Red roses were used artistically in the decorations. Two tables were arranged and at the close of the usual number of games Miss Mildred Chambers was declared winner and was given a lovely handkerchief case filled with linen handkerchiefs.

Mrs. Gurgola served a delicious two course luncheon consisting of chicken salad, olives, crackers and ice cream and angel food cake. Those present were: Misses Reba and Gene Cheeves, Jaunita Caldwell, Mildred Chambers, Harriette Henderson, Louise Green and Mrs. Thad Egger. Herald office.

PICNIC.

A few families drove out to Mr. George Graves' farm last Thursday evening and enjoyed a picnic supper. They had barbecued goat in addition to all the good things the ladies prepared beforehand. Those constituting the party were:

1. and Mrs. George Graves and son, Mr. and Mrs. Wylie Mangum and daughter, Mr. and Mrs. Trent Newton and children, Mr. and Mrs. John Blangum and children, Mr. and Mrs. Roy Law and son, Mr. and Mrs. J. C. Tucker and son.

LABOR DAY DANCE.

The Cameron young men gave a dance Monday night, a farewell to the boys and girls off for college, this and next week.

They were very generous in their invitations which included the dance lovers from Hearne, San Gabriel, Rockdale and Rosebud. These young people came with their chaperons and added to the Cameron crowd, made a merry party. The Howell Boys Band furnished music and it is not necessary to say the music was indeed fine.

FORTY-TWO PARTY.

Miss Louise Adams was hostess Wednesday night to a few of her friends at a 42 party. Roses, queen's wreath, and lilies were used in decorating. Three tables played and all had a merry time after which Mrs. Adams served ice cream and cake.

Miss Victoria Oxenford of Dallas, came in Saturday from Navasota where she had been spending her vacation with her brother and family, and was a guest of Mrs. Hubert Hefley for two days, when she returned to Dallas, where she has a very fine position.

A. Robinette, agent for the American Express returned Sunday from a six weeks vacation with his family in Colorado and Wyoming. Mr. Robinette visited the principle places of interest in the two states.

THORNDALE NEWS

BY FRED M. HERNDON

CHRISTIAN LADIES AID.

The Ladies Aid of the Christian church met in the hospitable home of Mrs. O. D. Graham Monday evening for their regular monthly social.

Twelve ladies were present at this meeting. Quite an interesting program was arranged for the occasion, as no one knew what they were expected to do until called on, and if they failed to respond, they had to pay a forfeit. It was very amusing, as some were called on to give readings they had learned in their school days, while others told of their courtship in a very romantic way, some to repeat the alphabet backwards, or sing a childhood song, all of which was very amusing and entertaining.

Following the program Mrs. Graham served delicious cake and Deleware punch. Each one expressed themselves as spending a very enjoyable evening, and all declared Mrs. Graham an ideal hostess.

REPORTER.

CHRISTIAN CHURCH SERVICES.

Rev. P. F. Herndon will fill his regular appointment at the Christian church Sunday afternoon at three o'clock.

We hope to have a large attendance at Sunday school. 79 were out last Sunday with every teacher and officer present. The married folks class received the banner having 18 present.

FREIGHT WRECK NEAR ROCKDALE ON THE SAP

Rockdale, Texas, Sept. 4.—The S. A. & A. P. railway had a bad wreck at Isaacs Spur, five miles north of here between Minerva and Rockdale, Friday. Fast freight No. 81, south-bound, turned over and 11 cars went into the ditch. All passenger trains ran late and traffic was more or less congested at Cameron and Rockdale. Alvin Campbell, negro and a trespasser of Yoakum, was injured in the smash-up. Wrecking crews from Yoakum soon arrived and built a skeleton track around the wreck.

Rev. F. H. Stelzer will leave Saturday morning for Loebau in Lee county where he will deliver a missionary sermon Sunday. On the fourth Sunday he will go to Copperas Cove, in Bell county for a similar service. Regular reading services will be held at Saint Paul's during his absence.

Ben F. McIntosh of The Champion force was called to Austin Sunday to be with his mother who had just undergone an operation in an Austin sanitarium. He returned home Sunday night leaving his mother improving nicely.

The seriousness of adequate water supply for Thorndale is being impressed upon the city possibly greater than ever before. The eighth week since rain fell here is now almost closed and unless rain falls within the next few days more persons are going to have to haul water from somewhere for drinking purposes.

An adequate water supply is absolutely necessary in the growth and development, the health and happiness of any town or city. That Thorndale does not enjoy this great blessing has been proven many times before the present shortage in the water supply.

And The Champion does not believe the situation will ever be remedied until Thorndale has been incorporated as no company or concern will drill wells and lay mains to provide a water supply that will be adequate for the needs of the city unless they have some assurance of protection of the immense amount of money it would be necessary to spend in installing a water supply that would be necessary.

An adequate water supply in Thorndale would save enough money to insurance certificate holders to pay the entire tax necessary to maintain-

ing a city government, besides the advantages to health and happiness that will incidentally go hand in hand with a proper supply of pure, clean water.

Just why the Interstate Commerce commission will not allow Henry Ford to reduce the freight and passenger rates on his own railroad is not made plain in their refusal. But it is known that practically 40 persons in these United States CONTROL the railroads absolutely. And if 40 persons with the majority of the wealth of the nation can control all the railroads of the nation it is possible they can reach still further in their control and possibly convince the I. C. C. that advanced rates are necessary, as well as the decided reductions in wages and salary, but somehow this complication of the railway systems finances does not impress the average individual as being just what the Lady on our great Capitol building so emblematic to the world, stands for.

RESIDENCE OWNED BY FRITZ FUCHS, IS DESTROYED AT THRALL.

Thrall, Texas, Sept. 2.—The Fritz Fuchs residence, situated on a farm in the old field, south of Thrall, and occupied by E. C. Schroeder, burned just after three p. m. Thursday. The loss is about seven thousand dollars. The cause of the fire is unknown.

S. C. Schroeder lost his household goods, amount to about fifteen hundred dollars.

Mr. Fuchs, who once lived in this house, now lives in Taylor.

To the Boys and Girls of the Thorndale Public School:

Dear Pupils: Another year with its sunshine and its shadows, with its laughter and its tears has rolled away.

I trust that you have had a delightful and very helpful vacation.

We are about to begin another school year. I hope you feel equal to the occasion. I trust that you will come full of enthusiasm and vim. I feel myself refreshed, and ready for a full years work. I know we are going to have the best year's school we have ever had. We have, we think, an extra strong teaching force. Everything points towards a very successful school term.

This year will be very taxing upon you—much will be expected and much required. We must by all means, do such work as will receive the approval of the state authorities, and thereby gain for us affiliation. However, we must not lose sight of the primary object of school life, that of preparing boys and girls for complete living.

We wish to continue our work in our literary society and glee clubs, though on a broader plan. I feel sure, our athletics will surpass anything in Milam county. We have a splendid coach this year and if we do not make a good showing I shall be disappointed. Key up your energies to the highest point. Come determined to make a record for yourself. Remember that leadership is not thrust upon a person, but it is determined by hard work. Start right, keep going, and

you will end right.

Remember each teacher is interested in your development, and stands ready at all times to help you. Don't be in too great a hurry to rush into life's work. The best success is obtained by making the necessary preparation.

If you can not make good here the probability is you will not make good in some other school. First finish here and then go to a better school.

Wishing you much success and a very prosperous school year, I am
Your teacher,
H. M. ROARK.

Fire prevention is much better than trying to put out a fire after it is started. How about another clean-up week for the business section of Thorndale? It would be an economical move. Let's start early Monday morning and do the job right. Then we can present a clean back yard and a smiling countenance to the state fire inspector when he makes his next round. (And maybe get a lower insurance rate, too).

The Champion would like to see the old game of pitching horse shoes revived again and will offer \$1 toward a prize to be given in a contest to be staged next Trades day, the contestants not to be under 60 years of age. The reason the age limit is set is because these "youngsters" do not know, and can not appreciate the fine points of this great old game. A. M. Camp and A. H. Conoley would make excellent judges. Let's go.

O. D. Graham was a Cameron visitor Monday.

Chas. A. Davis had business in Cameron Monday and Tuesday.

Mrs. J. H. Elam of Rockdale was a week end visitor with Mrs. L. G. Butts.

Old U. Tellem sez.

"The Central Produce Company can handle your poultry and eggs.
"If there is no local market, it's up to them to find a market. That's their job. You just deliver the poultry and get your money. They will do the rest."

"U tell'em shoe, you have a tongue."

Electricity Is Controlled

By the insulated wire, directing the current where we want it, two wires with a charge of electricity touched together will cause a spark, there are many other ways of causing a spark from live wires however. These small sparks sometime cause fires, destroying millions of dollars worth of property each year. IN MOST CASES IMPROPER WIREING HAS CAUSED THE FIRE. Have your wiring done so there will be no firing therefrom. We have electrical fixtures attractive in style and price. Will be glad to have you call and see them.

A. W. Luckett

ELECTRICAL CONTRACTOR
ELECTRICIAN CAMERON, TEXAS

Mr. and Mrs. L. I. Wilson and children picnicked on the Gabriel Monday, Leonard stating that he caught enough fish for the noon meal.

Labor day was not generally observed in Thorndale Monday. Only the postoffice and the First National Bank observing the day by closing.

CARD OF THANKS.

We take this method of extending our sincere thanks to those who so kindly assisted us during the illness and death of our beloved wife and mother, Mrs. Mary T. Gohmon. Especially do we desire to thank those who gave flowers and the members of the Woodmen Circle for their kind assistance and fraternal administrations.

HENRY GOHMAN AND CHILDREN

To Cure a Cold in One Day
Take LAXATIVE BROMO QUININE (Tablets.) It stops the Cough and Headache and works off the Cold. E. W. GROVE'S signature on each box. 30c.

THE KEY TO SUCCESS.

There is no class of employment that finds a more regular constant demand than telegraphy operators. The capable operator can always command a good salary, and the opportunity for advancement is unlimited.

The largest telegraph school in America, equipped with over a hundred instruments, a train wire of a main line railroad, all telegraph and freight blanks and books of record, tickets, and in fact everything just as complete as found in the best equipped railroad offices, the best practical teachers to be obtained, thoroughly experienced in commercial and railway telegraphy, station and freight work—Tyler Commercial College, of Tyler, Texas, is unable to supply the demands of the railroads, Western Union and Postal Telegraph companies for operators.

Read the following letter from the Superintendent of Telegraphy of one of the large railroad systems:

Tyler Commercial College, Gentlemen: If you will send us the high class students you have been sending, we can use all that you can send. Could use a large number at the present time if you have them. In this connection will say what students you

have sent us have been very satisfactory and have developed into some of the best telegraphers and agents that we have. Trust that you will be able to send us more of your students at once and keep them coming as fast as they are capable. I had the pleasure to visit your great school and made a personal investigation of the methods used by you in preparing student telegraphers, and I find they meet with all the requirements of my road, and I wish further to say you have the largest and most complete and thorough business college that I have ever seen.

R. F. FRENZER, Supt.

Telegraph, Union Pac. Ry.

Our telegraph students are on all the leading Southwestern roads and in Western Union and Postal Telegraph offices. With our help you can be a bigger success. Write for free catalogue. We place graduates promptly free of charge. Tyler Commercial College, Tyler, Texas.

REDISTRICTING BILL FILED BY GOVERNOR

EXECUTIVE WITHHOLDS SIGNATURE FROM BILLS—LEFT WITH STATE DEPARTMENT.

Austin, Texas, Sept. 5.—Governor Neff today filed in the State Department without his signature the bill providing for the relocating of the prison system of the State, the Representative and Senatorial redistricting bills. These three measures will become laws without approval of the chief executive.

The prison relocating bill provides for a commission composed of the Governor, Attorney General and Land commissioner to select a site for the penitentiary system within seventy-five miles of the city of Austin. It also provides for the selling of the state prison farms. Before the relocating is consummated it must be ratified by the legislature.

The Senatorial redistricting bill does not become effective until April 1924, while the Representative redistricting bill becomes effective ninety days after adjournment of the last special session.

Pen Board Appointed.

The Senate bill by Senator Hertzberg of Bexar, providing for the creation of a board of supervisors to look after the welfare of prisoners in the penitentiary also was signed. The governor in this connection announced the appointment of the board. It is as follows: Dr. J. T. Harrington, of Waco, Mrs. J. E. King of Hunt, Kerr county, and W. Dorsey Brown, Kaufman.

Governor Neff approved the bill authorizing the State Board of Control to lease the American Legion Memorial Hospital at Kerrville to the Federal government.

The governor has now disposed of all bills passed at the second called session, with exception of the bill abolishing the use of chains at the penitentiary and the educational appropriation measure.

Commercial Club

Roll call showed the following present: Officers: Robert McLane, president, W. W. Chambers, vice president, W. B. Skelton, secretary.

Directors: J. T. Parma, C. R. Phillips, Giles L. Avriett, J. D. Dobbins, H. M. Hefley, Jno. E. Mangum, F. S. Lesvosky, W. G. Gillis.

Committee chairman: T. F. Hardy, R. H. McIntosh, J. R. Hays, T. S. Henderson, W. M. Cobb.

Minutes of previous meeting were read and upon motion adopted.

W. M. Cobb, chairman of the Agricultural committee, read an outline of the premiums proposed by his com-

mittee for the approaching live stock show. Upon motion from W. W. Chambers, seconded by J. D. Dobbins, and amended by W. G. Gillis, the premium list as proposed by Mr. Cobb was approved and Mr. Cobb instructed to print a list of the premiums in the form of a catalogue and sell adds to the merchants to pay for the publication.

Upon motion from W. W. Chambers, seconded by J. R. Hays, the club decided to offer a prize of \$1.00 per capita for the largest family coming from the greatest distance to the stock show.

L. H. Kidd, superintendent of the local schools, appeared before the club in an interesting talk, announcing the addition of a commercial course to the curriculum of the high school this year. Mr. Kidd also announced that next week would be "go to school" week and asked the co-operation of the club in getting people interested in going to school. Mr. Kidd pledged the co-operation of the school to the Commercial club. Upon motion from W. M. Cobb, seconded by W. G. Gillis the club endorsed "go to school" week and pledged Mr. Kidd support.

Upon motion from W. W. Chambers, seconded by T. F. Hardy it was decided to invite the school children to help out with the stock show and to term one half day of the show as "school children" day.

J. T. Parma reported a bad place in the Waco crossing road about four miles from town. T. S. Henderson reported the road to Gause in a bad shape. He termed the road an "orphan" and suggested that it be "adopted" by the good roads committee. The fact was brought out that this committee was willing to do anything to remedy the road but could not get cooperation from the people of that section. President McLane asked the good roads committee to confer with Judge Gillis and Commissioner Phillips and see what could be done.

A motion to adjourn prevailed.

ENGLISH WOMEN ON JURY.

Eight women and four men constituting a jury in England found a prisoner guilty but recommended mercy on the ground of "rather insufficient evidence." The judge discharged the prisoner.

RED CROSS HEALTH INFORMATION.

Adenoids in Children.

The human lungs need filtered air just as much as does the general system need pure, filtered water. One child in every ten, according to estimates and results of examinations of large numbers of children, are not getting filtered air because of an obstruction in the nasal passages called "adenoids" which cause mouth

breathing. Air breathed into the lungs should be moistened and filtered by passing through the nose and coming in contact with a moist cushion or filter of tissue. If this tissue becomes abnormally enlarged it stops up the common avenue of breathing and air must then pass directly through the mouth and into the lungs without filtration.

The strain upon the lungs in receiving this unpurified air lessens the child's resistance to disease. It is likely to have repeated colds and soon show signs of nasal catarrh. The nose, shut off from its normal supply of air becomes an ideal breeding place for disease germs. The development of chronic catarrh, a frequent result of adenoids, may lead to loss of the sense of smell, altering of the facial expression and disfigurement of the jaws and teeth.

Adenoids can be detected in children by a variety of signs. Sleeping with mouth open, snoring and frequent strangling coughing spells, being among the most common symptoms. Backwardness in school is a very frequent result of the obstruction in the nose.

If there are signs of an obstruction in the air passage way the child should be examined by a reputable physician and if adenoids are discovered they should be removed. If the child is under ten the operation is a very simple one.

Even a few months neglect of adenoids may result in considerable

damage from mouth breathing, and a permanent physical defect.

Scarlet Fever.

Scarlet fever is one of the very contagious diseases. It is easy to catch but not easy to cure. Don't make the mistake of allowing all your children to get it when one has it, on the theory that it is better to have it all over with at one time. Children are not the only ones attacked, as persons of all ages may contract it. In most cases, but not all, a person who has once had it does not get it again.

How to Recognize Scarlet Fever.

The child may have scarlet fever if it shows these symptoms. If it is tired, restless, and out of sorts. Usually there is either a chill, vomiting, or convulsions. Any or all of these symptoms may be present. The child develops a high fever, with skin dry and very hot. The tongue is furred and under this white covering is red and swollen. Frequently the child complains of sore throat. In ordinary cases these early signs are followed by rash and fever.

Care of the Patient.

The patient must receive medical treatment and careful nursing during the entire illness. Without these, grave chances are being taken with the sick person's life and future health, as disorders of the heart, kidneys and ears may set in. Careful nursing is particularly necessary after the skin has peeled and the patient begins to recover. The doctor's instructions as to diet, clothing

and other precautions must be followed to the letter.

How to Prevent Its Spread.

Whenever the first symptoms are noticed the child should at once be kept away from other people and the doctor should be called at once. Place the child in a room by itself if at all possible. The person who takes care of the patient must change her outer clothes when entering and leaving the sick room. This can easily be done by using a separate loose gown or kimono for this purpose. The hands and face must be washed with antiseptic soap and water when leaving the sick room.

All the saliva and discharge from the patient's nose, mouth and throat are infectious and should be received into pieces of cotton gauze or old linen and carefully burned. The person ill must have his own eating utensils. These dishes and all clothing worn by the patient must be disinfected and must not be washed with dishes and clothing worn by the other members of the family.

Children that have scarlet fever must not return to school before a period of six weeks has passed. In no case should children who have had scarlet fever and whose skin is peeling be permitted to enter the school room or mingle with other children. Great spread of the disease and many deaths are the result of lax observance of this rule. To keep your own children well you must help keep other's well.

Doing business with us is a health habit. Buying meats at this shop will pay actual health dividends. If you are interested in the health of your family you should become financially interested in the meats we are selling. Watch for Mr. Happy Party

TEXAS FIRST IN IMPROVED LANDS

State Now Has Total of 32,377,929
Acres—Increase of More Than
4,000,000.

Washington, Sept. 7.—In the ten years since 1910 Texas has advanced from fourth place to first among the States in the acreage of improved farm lands according to a report of the Bureau of the Census.

The improved farm acreage of Texas totals 32,377,929, an increase of more than 4,000,000 acres since the last census.

In 1910 Texas had only 27,360,666 acres of improved farm land; Illinois had 28,048,323; Iowa had 29,491,199; and Kansas, 29,904,067. Kansas is now second to Texas with 30,600,760 acres while Illinois has dropped back to 27,294,517 and Iowa's acreage has decreased to 28,663,951. Missouri, North Dakota and Nebraska are in the other state above 20,000,000.

Texas Has Far to Go.

Despite Texas present leadership, the report shows that Texas has scarcely begun to improve the farm lands of the state, a total of only 28.5 per cent of all farm lands being classed as "improved." Iowa with 85.5 per cent and Illinois with 85 per cent are nearly the limits. Relatively when Texas has improved all its farm lands it will be so far ahead of the rest of the nation no two other states can equal it.

At the present time the acreage of improved farm lands in Texas is greater than improved farm land acreages of Montana, Idaho, Wyoming, Colorado, New Mexico, Arizona, Utah and Nevada combined. It is nearly 10,000,000 acres more than all the improved farm acreage of Washington, Oregon, and California.

Texas land operated by tenants shows a higher percentage of improved acreage than that operated by owners, the difference being that 49 per cent of rental land is classed as improved while only 28.5 per cent of that operated by owners is in the same class and only 5.6 per cent of the land operated by managers. In the past ten years, however, the percentage of improved land operated by owners, or rather the amount of land changed from unimproved to improved has gained 3.8 while the decrease in rented improved lands has been 1.5 per cent.

The greatest body of improved lands in the United States lies in Minnesota, Iowa, Missouri, North Dakota, South Dakota, Nebraska, and Kansas where the total improved acreage is given as 173,725,273.

Estimating the value of improved farm land in Texas at \$50 an acre will show that the total wealth of the

state in that respect alone is \$1,618,896,450.

TEACHERS ATTEND BELTON MEETING

Eight Hundred Instructors From Bell, Milam, and Williamson Counties at Conference.

Belton, Tex., Sept. 7.—Over eight hundred teachers from Bell, Milam, and Williamson Counties are in attendance at the tri-county institute which convened here Monday morning under the leadership of Superintendent L. H. Hubbard of the Belton public schools.

The institute this year promises to be the most successful one in its history. Noted educators from various sections of the United States have been obtained to give lectures during the five days the body is in session, and much interest is being manifested by the instructors and the various teachers who are attending the sessions as well.

The various departments—the high school, the intermediate and the primary—have certain places of meeting and special lectures in their lines of work. Then there is a general assembly in the college auditorium at 9 o'clock every morning.

SULLY'S BIT O' VERSE Childhood Cheer.

Little kiddies playing through the happy summer days! Never have a worry 'bout the world and its ways; don't care what is doing in the kingdoms of the earth, romping through the meadow lands of happiness and mirth. Seems an awful while ago since I was romping there, thoughtless as the warbling birds, having not a care, seems about a million miles back to sunny hours when all the time was blossom time and full of sun and flowers. Little children playing in the old home lane, piling up the sunshades and laughing at the rain, smiling at the troubles and envying full of glee, taking trips to dreamland 'neath the old home tree. Grown folks worry and they look away ahead for a chance to borrow trouble and to find things to dread. Ought to learn a lesson from the little ones at play and keep a sunbeam handy to drive the cares away. Little happy dreamers of the golden summer days, soon to feel the weariness of long and toilsome ways, store away a little bit of childhood's happy cheer, keep your faith and courage when the skies grow dread. (Copyright, 1921, by E. E. Sullivan.)
